JUANIJA LAGARTIJA

De Pedro Pablo Sacristán

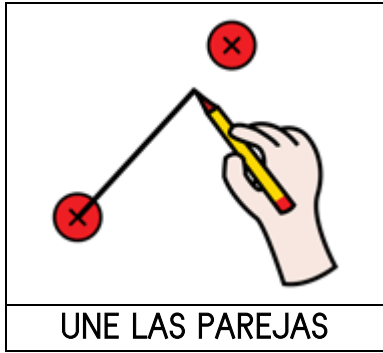

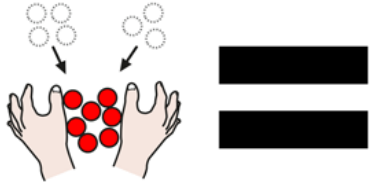

Diagram illustrating the correct path: a dashed line with an arrow pointing right, a winding path through a landscape with trees, and a thumbs-up gesture.

SIGUE EL CAMINO CORRECTO

A maze puzzle with a start point (a green frog wearing a purple hat on a rock) and an end point (a green frog on a lily pad). The maze is a complex network of black lines forming a rectangular grid with various openings and dead ends. Three arrows point from the start frog towards the maze: one pointing right, one pointing down, and one pointing right again.
